

**PNOC Renewables Corporation
 Corporate Social Responsibility (CSR)
 Completion Report for CY 2015**

PNOC Renewables Corporation (PNOC RC) is the primary vehicle of PNOC in promoting, developing and implementing new and renewable energy (RE) sources in the country. The development of such technologies is pursuant to Republic Act 9513 also known as Renewable Energy Act of 2008. Said law promotes reduction of carbon footprints, minimize country's dependence on the use of fossil fuels, and tap alternative and greener energy sources to combat global warming and adapt to climate change.

Our CSR for 2015 is very ambitious targeting about 21,500 beneficiaries from the development of a 1MW Rizal Hydropower Project and its component support programs for the host communities/LGUs.

The lists of CSR activities successfully implemented in 2015 are as follows:

| Activity | Beneficiaries | Support Document |
|--|----------------------|-------------------------|
| 1. Construction, testing and commissioning of the 1MW hydropower plant | 21,500 (individuals) | NEECO certificate |
| 2. Supplemental feeding program for malnourished children | 30 (individuals) | Report |
| 3. Seedling distribution and tree planting (1,350 seedlings) | 560 (individuals) | Report |
| 4. Medical and dental mission | 450 (individuals) | Report |
| 5. Donation of relief goods to disaster affected communities | 450 (individuals) | Acknowledgement receipt |
| Total | 22,990 | |
